THE OCCASION OF THE 2025 OMOLUABI PICNIC**

***My dear brothers and sisters in Canada,***

I am highly elated to join you in spirit as you come together for the 2025 Omoluabi Picnic. This celebration shows how deeply you cherish your roots and proudly carry the values of Omoluabi, even while far from home.

I sincerely appreciate the value you place on the ongoing developments in our State. Your encouragement gives us added strength as we continue to pursue programmes and policies that uplift the lives of our people.

I salute your unity and the strong sense of identity you keep alive in the diaspora. Your efforts remind us that Osun is not only a place but a people bound by culture and integrity. I also encourage you not to forget the importance of investing in Osun in every way you can, so as to complement the efforts of government in building the State of our dreams.

On behalf of your brothers and sisters back home, I say well a big well done to you. May this gathering strengthen your bonds, renew your joy and keep alive the Omoluabi spirit in your families. Enjoy a successful and memorable picnic!
